HELP. HOPE. HEALING.

THOUGH YOU MAY BE BROKEN, YOU'RE NOT FORSAKEN. GOD WANTS TO HEAL YOUR PAIN.

"At the Refuge, I have been taught how to view relationships, trials, and decision-making through the Word of God, prayer, and godly counsel. I am so grateful God has placed in my life people who invested financially in my healing and future for these two years, allowing me to focus on the program and experience His provision." – Maria, Program Graduate

RESIDENTIAL PROGRAM

The Refuge is a two week to two year program where sanctuary is provided in a home-like environment. Trained Christian counselors use biblical solutions to help women develop long-term goals and heal from spiritual and emotional wounds.

COMMUNITY COUNSELING

We live in difficult times, and life's issues can often seem overwhelming and out of control. Sometimes the pain and hurt are more than we can bear alone. The Women's Refuge offers biblical counseling for individuals, married couples, and families. We seek God's Word for life's pressing concerns.

Our trained biblical counselors are compassionate, with years of experience dealing with a variety of issues, including depression, anxiety, anger, abuse, grief, addiction, PTSD, marital strife, and family discord. We don't turn anyone away from our community counseling program based on their ability to pay. Counseling services for individuals and families help to restore meaningful relationships and promote healthy living.
