

Womens Refuge Virtual Golf Fundraiser Information Sheet

Due to the Coronavirus Pandemic, this year's golf fundraiser will be played as a "virtual event". **Each participating foursome can play a scramble format or normal round of golf at any 18-hole golf course in the world.** Because of this new format, we ask that all participants read this information sheet thoroughly and follow the instructions provided. **Only scramble foursomes need to report scores. Foursomes playing a normal round of golf will be entered in a drawing for separate prizes.** Additional details are shown below.

Scramble Golf Format and Rules:

- ✓ Each participating foursome will complete an 18 hole scramble at the course of your choice any day during the month of September, 2020. Prizes will be awarded to winning foursomes in men's, women's, and mixed categories. Scoring will be done using established handicaps for the tees that your group uses during the round. Players that do not have established handicaps, may use 6, 12 or 18. This is an honor system and players without handicaps should choose the one that most closely matches their skill level. Actual scramble 18 hole score will be adjusted using handicaps and course ratings.
- ✓ The play will be a straight scramble format. Each player will drive and all players will hit the second shot from the point where the best drive was located. Ball can be placed within 1 club length of the actual ball location without changing the nature of the lie. Succeeding shots to the green follow similarly. On the green, the chosen ball should be marked and all players putt from a point within 6 inches of the mark and no closer to the hole. All putts should be holed for the final score on that hole. Please maintain pace of play at your club. There are no limitations for drives used by any player.
- ✓ Scorecard should include 1 score for each hole and totaled. Full names and handicaps for all 4 players should appear on the card. Indicate which tees were used by your foursome. Upon completion of play, the team captain will take a picture of the front and back of the scorecard and email or text the pictures to the scoring committee. Email to wrgolf@womensrefugevb.org or text 772-643-6008.
